“Jesus, Mary, I love You! Save priestly souls, save souls! Grant me to repeat this Act of Love a thousand times with my every breath, my every heartbeat.”

Imprimatur N. 26, Vicariatus Romae 29.11.2013

*Jesus revealed to Justine Klotz (1888-1984) that this new “Act of Love” **“multiplied a thousand fold”** is a **“nuclear part with no equal” “so infinitely great for each soul, and forever.”** Please, pray it often & with great trust, so that many, many souls may receive God’s forgiveness and spend all of eternity in Heaven.*
