

“My dear little child, how I love you and wait to hold you in my arms. I watch you so carefully, alert to any opportunity to bring you to Jesus. I have seen every pain that you have suffered. I have witnessed each bitter tear. You will be fine now if you let us heal you. I want to take you by your hand and bring you to my Son. I will tell Him that I am proud of you because you are courageous in admitting your mistakes and asking for forgiveness. Can you imagine the smile Jesus will have for you? He is so beautiful and His eyes will fill with love for you. You see, Jesus does not care what you have done.

He does not sit and think constantly about your mistakes. He thinks constantly about your heart and its brokenness. He thinks constantly about His need to have you safe in the family of Christ. He considers all of the good that you are capable of bringing to other souls. Jesus needs you. I, your

heavenly mother, need you. Will you help us? Come to your mother now and rest your head against me. You do not see me but I promise you that I am with you. I will never leave you. I have brought many women [and men] back to Jesus and they give Him the greatest love and fidelity. That is how I can see you, my child. I see you as a loyal, loving servant of Jesus, who desires to place constant healing graces into your soul.” -Mother Mary

MESSAGES OF DIVINE LOVE

Beginning in 2003, Jesus, Mary, God the Father, and various saints revealed their thoughts about [depression](#), [addiction](#), [clerical abuse](#), [suicide](#), and many other topics to the messenger ‘Anne, apostle of the Returning King’, through a mystical experience formally known as an auditory “locution” (Which differs from a visual “apparition”, like those of the Blessed Virgin Mary at [Fatima](#) and Lourdes). These words (edited with added emphasis) have been carefully studied and their content has been approved as free of any moral or doctrinal error. They are not a replacement for Holy Scripture, but only an aid in learning about and growing in God’s Infinite Love. To read them all join the rescue mission, visit DirectionForOurTimes.com. Jesus Speaks: “Sit in silence with Me and rest in My perfect and complete love for you. I accept you, My little treasure, in all of your imperfection. Your sin does not discourage Me in the least. Bring Me your sins. Confess your sins. Please do not think that because of your sins your Jesus could not love you. I do love you, in all of your sin and pain. This mission of love is in existence because I love you. I am speaking to you right now because I love you. Dearest little apostle, you are chosen to work in this world intimately united to Me. Will you say yes to Me? Will you accept My tender and complete love for you and allow Me to soften your little heart? Do not turn Me away. I am your Jesus. I have come for you. Open your heart to Me in the

smallest way and I will come to live with you forever. I want only what is good for you and through what is good for you, I will renew the world. Please, accept Me. Dearest little apostle, you are chosen to work in this world intimately united to Me. Will you say yes to Me? Will you accept My tender and complete love for you and allow Me to soften your little heart?”

St. Matthew speaks: **“You will be so grateful that you served when you are called to come home. There is no regret like the regret you will have if you say ‘no’ to Jesus during this time. We know Jesus, both as man and as God. He is all love. He is all kindness. He is all encouraging and uplifting.** Jesus never leaves you feeling saddened, unless you are walking away without determination to serve Him.”

The Divine Mercy Image and St. Faustina Diary quotes are owned by the Marian Fathers of the Immaculate Conception of the BVM

"I promise that the soul that will venerate this image will not perish." (48)

"Tell aching mankind to snuggle close to My merciful Heart, and I will fill it with peace. Tell [all people], My daughter, that I am Love and Mercy itself." (1074)

"My mercy is greater than your sins and those of the entire world." (1485)

"The greater the sinner, the greater the right he has to My mercy." (723)

"The graces of My mercy are drawn by means of one vessel only, and that is — trust. The more a soul trusts, the more it will receive." (1578)

Jesus' words to Saint Faustina, in her Diary:
Divine Mercy in My Soul

Note: Jesus has promised that anyone, even the most hardened sinner, who prays [the Divine Mercy Chaplet](#) just once, will receive the grace of eternal salvation in their final moments from His infinite Mercy! It only takes 5-7 minutes!

we rush in to assist this soul, and protect him from the attacks of the evil one. We nurture and guide this soul until he is back walking the path to Christ with confidence. Don't be afraid, dear souls. You will find no recriminations. Only love."

St. Francis speaks: "The most important thing for you to know is that you are loved, just as you are, in whatever condition you are in. Jesus loves you. Jesus, who is all love, is also all mercy. He forgives you any sins you have committed. **This is not conditional upon anything but your repentance. In other words, you may feel that the scope of your sin is great. You may feel that you have sinned so badly, and so often, that Jesus could not be talking to you when He offers forgiveness. Dear brother[/sister] in Christ, may I say that this will not be the first time you have been wrong. I am telling you the truth. Jesus has forgiven you. Go to Him now and tell Him you are sorry. He is God. He has a right to your repentance. Understand that you must do this for Him. If you repent and say you are sorry for your sins, Jesus will heal you of any marks on your soul left by these sins. Many times on earth a human being experiences pain. There are many types of pain, of course, but the pain of not being loved or cared for is particularly troubling to a soul. This pain can then create a predisposition to commit sin.**

This may have been your situation. Jesus understands. Regardless, mistakes are mistakes and souls have to accept their mistakes, confess them if they are sins, and move on.

Move on with Jesus. He holds His hand out to you in brotherhood and in love. Take His hand and step away from darkness, into the light. This is not a mistake. This is the wisest decision you will ever make."

"In order to serve Jesus, you must become like Him. In order to become like Him, you must give yourself to Him. If you give yourself to Him, He will transform you into an apostle. An apostle behaves like Jesus, of course, or tries to, and I will tell you how Jesus behaves. Jesus never condemns a man who is repentant or even a man who desires to be repentant. So perhaps you are stuck at that first road sign. You see a sign that says **REPENTANCE THIS WAY, but you do not feel it. This is where the beauty of Jesus becomes clear. You can ask Jesus for even this. Tell Jesus that you want to be sorry but you do not feel sorry. Ask Jesus to give you sorrow for your sins. Ask Him to give you a spirit of repentance. Jesus will do this. He will do everything. Look up to Him and acknowledge Him as your King, your Savior, and your Creator. He will do the rest. Do you see that with Jesus, you cannot fail? You simply cannot fail."**

Mother Mary speaks: "Sinners must not be afraid.

They must simply close their eyes and say, 'God, I have made mistakes. I'm sorry. I am Your child, though, and seek to be united to You.' My child, all of heaven weeps for joy when even one soul makes this act of humility and love. How

Jesus speaks on Reincarnation: "In days past, there would be a small number of souls who chose to remain parted from Me for eternity. This caused Me suffering, it is true. In these times, though, My presence in the world and dominion over this world is treated so casually that many souls choosing darkness are led to believe this is almost a meaningless decision. They do not understand the impact. Indeed, some of My children are casual about their eternity because they believe they will have several attempts at life in this world. I tell you today, children, this is a Godless notion created and perpetuated by the evil one who would like to downplay the importance of what you do with this time. There is only one life allotted to each soul. There can be no question about that. Do not believe that you will come back to earth again for another chance. It is this life you are living that will determine your eternity. So, My children, now that We all understand the importance of this day, and this series of days allotted to you, let Us make a decision on how you will spend the remainder of your time. I would like you to help Me. I know exactly how many days are left before you appear before Me in the next life. I have special work that needs to be done. Indeed, I have special work for each one of these days remaining to you. If you will say "yes" to Me, I can rest more easily, knowing those tasks will be completed and souls, the certain number attached to your work, will be saved. Additionally, I will have the joy, the happiness of knowing that My immeasurable love for you is returned. My child, come to Me and do My work. You will find no greater joy on this earth. Ask My true followers. They know the ecstasy of feeling My smile in their soul. I want that for you. Let Me assure you that, in most cases, My work for you involves you remaining in your current role. I simply want you to be at peace. I want you to know you are loved. I want to be with you as you struggle and I want to keep you safe. You will experience your days differently when you unite them to Me. What formerly caused distress for you will be barely a ripple against the great peace I am offering. I can take even the smallest, humblest acts of love and obedience and use them to rescue a soul. So instead of merely surviving your time here, you will be using your days, already and always finite, to rescue souls who are living without Me and, in some cases, living against Me. We must have hope for every soul, My dear one."

Jesus speaks: "I wish to draw souls out of the world. As the world lured them away from Me, now I call them back. My Sacred Heart, which beats with love for My children, is crying out with love. Many of My children will heed the call of My heart and follow Me. They will bring souls with them. This is the beginning of My renewal and events will follow each other. The enemy is weakening as more souls return to the light. My children initially find it difficult to leave the emptiness of the world. Emptiness becomes a habit and the materialism that people use to fill the emptiness also becomes a habit. But I offer something so sparkling, so eternal, and so pristine, that the soul longs for it. I offer goodness and happiness. I offer peace and above all I offer love. My love is real. If you want to see examples of My love, children, before you make the decision to come back to Me, look to My chosen souls. See how they love each other and sacrifice for each other. You will not find constant harsh words and recriminations between them. You will see them bearing with each other in patience and tolerance. My chosen souls are doing their duty. That is another way to recognize them. They work in the world, they care for their family members, they tell the truth, and when they make mistakes they provide recompense. Look to the lives of My chosen souls for example. They often become bored and discouraged, like My children still wandering, but they persevere and the troublesome feelings pass. Their souls are strengthened by their triumph over these temptations. My chosen souls have troubles, just like others. But watch closely how they respond to their troubles. They help each other. They appeal to Me, their God, and they accept their crosses. You will find goodness in the eyes of My chosen souls. Do you want that to be yours? Come back to Me. The world offers you nothing. The world does not love you. Indeed, you will find only rejection and hatred in the world. Come back to Me and begin to examine your inheritance, which is goodness, love, and eternal security and joy."

*Jesus speaks on Atheism: “Perhaps you cite scientific evidence that claims to supplant God’s existence. When you die in your body and you come before Me, Jesus Christ, you will be dazzled by the extent of what humanity does not know. The body of knowledge on earth at this time, while exciting for you, is miniscule when seen against the light of the full truth that you will be allowed to explore in heaven. **I bless all science of good will. God has been merciful in the extreme through science.** Many men have studied science and been brought to a profound respect for the Creator through the knowledge they have gained. They will continue this study in heaven, of course, and be blessed even more...”*

St. John speaks: “There are several ways to proceed. One, you can continue on in your rejection of God. Two, you can accept that God loves you and ask Him to make Himself known to you. Three, you can accept that God exists but continue to deny Him access to your life.

If you do the first, nothing changes. You will have the greatest difficulty when you die and meet God because you will have to accept that you rebelled against perfect love. This will be painful for you, in the extreme. God is merciful, of course. He will give you an opportunity to repent and if you do so, you will be taken joyfully into the family. At that time, however, you will have to begin learning all of the lessons of love and humility. This will take time but God has prepared a place for you to do this. It is called purgatory.

If you follow the second option and accept that God loves you, asking God to make Himself known to you, you will begin learning about God’s love on earth, in your life and through your relationships with others. You will know joy again, my dear friend, and you will have hope in your heart. God will flood you with graces, we will surround you and defend you as you grow in virtue, and upon your death you will be welcomed with the greatest joy and celebration. Truly, when you accept God and let Him teach you about love, the day of your death is a happy day indeed.

*The third option is not the option I would take but it is better than option number one. You can accept that God exists but keep Him at a distance. This is better than option number one because you are giving God some measure of respect. God rewards all such respect with untold generosity. Also, if you at least recognize, even in the smallest way, the existence of God, you leave a door open to a relationship with God. Perhaps you are not willing or able to ask God to reveal Himself to you. Possibly you are fearful of what God will ask of you. This is short-sighted because **anything that God asks of you becomes easy when you embark upon it with Him.** At any rate, though, at least tell God that you recognize Him as the Creator and there will be a link between you and your God. It will be like being in deep water and holding on to a rope. You may not make progress, in that you are not allowing God to pull you into the boat, but neither will you be lost.*

I love you. My heart has the greatest interest in helping you come back into our family. You see, I am looking at you with heavenly eyes. I see all that you can do to help others know God’s love. We need you so badly. You have potential that you have not touched. Only with God’s grace can your full potential be realized because God ignites the growth process, just as truly as He takes a seed and creates a massive tree. You have seeds of the greatest, most powerful goodness in you.

Come back to God’s love and He will ignite the growth process in each of these seeds. God Himself sowed these seeds and He has a divine purpose for each of them. Be at peace as you consider your options. You have heaven’s assistance.”

Jesus speaks on Prayer: **“On this day I want you to tell Me all day long that you believe in Me. You may not feel this. You may have a difficult time even forming the words. But in your heart, all of this day, tell Me this. I can then give you graces that will help your disbelief. We will begin to shift the stubborn doubts sowed by the father of lies. You have nothing to lose. You have tried many other remedies for your discontent. Some of you have abused your bodies in an attempt to quiet the cries of your soul. I want you to think of Me as another remedy for any difficult symptoms you are experiencing. If I do not keep My promise, to grant you peace and joy, then you may continue your search. But you must give Me a chance and to do that you must spend time in silence with Me. Come to a church that houses a [tabernacle](#). Sit before Me in silence. Allow Me to speak to you and I will speak to you. Be brave, little soul. You have tried many more daring things than this, have you not? Come to Me now and give your God a chance.”**

“Please, talk to Me. Then, in turn, you will listen to Me. Then we will become friends and you will understand that no friendship on earth is as secure as the friendship between you and I. I will give you everything. What will you give Me? You will give Me your love. You will give me your loyalty. You will give Me your willingness to change, dearest, and that is what I want from you. It is difficult perhaps at first to envision a new way to awaken and proceed into each day but you can begin slowly. **Each morning, when you awaken, say, “Jesus, I give you my day. That is all. Begin there and you will see change immediately. I need only your willingness. All will flow from there/ You must be brave but I will give you courage. It all comes from Me.”**

St. Thomas the apostle: **“If you want to know someone, you spend time with him. Well, we are telling you that you must become like Jesus. You will have to know Him to become like Him and you will have to spend time with Him to know Him. So each day must be spent in His company. He is with you and has always been with you. But you did not always recognize His presence. It is time to do that now. Talk to Jesus all day long in your heart. Ask Him what to do in each situation. Ask Him what to say in each conversation. Ask Him what He needs from you in every moment. This is praying. People tell you to pray all day. Souls think that this is impossible. But prayer is simply being with God. Talk to Jesus and He will explain everything to your soul. You will begin to change. Your bitterness will start to fade and you will feel your heart soften. This is not without some pain but this pain is coming because all does not remain hidden, as we have told you. You will have to face your hurts. Face them now with Jesus and He will take them away. He will leave you with a soul that is open to His love. Then, and this is the answer to all of the world’s darkness, then He will begin to flow through you into the world. Soul by soul, Jesus is returning. A great renewal is coming, my friend. Jesus is reclaiming this world for heaven. Will you help Him?”**

Mother Mary speaks: **“My dear children, I wish you to spend time every day considering God’s will for you on this day. You must do this in silence. You may have many questions and it is in silence, in your heart, that we can answer these questions. Otherwise, you do not hear us over the noise of the world. Most of our children do not hear us, despite our attempts to communicate with them. Even many of our chosen ones neglect this form of contemplative prayer. Children, it is in this prayer that you will find the peace and guidance you require. I want others to see Christ in your face. For this to happen, you must be united with Christ. As always, I bless you and extend my hands over you in love.”**

“Pray [the Rosary](#) and I will keep you safe. I will help you to step over snares and walk around traps laid by the enemy. I will help you to heal. I will help you to see the world with the heavenly light that exposes sin, even when it is well concealed by those who wish to lead you away from me. I am your mother. I can only lead you to Jesus.” *Our Lady’s Promise (from [the 15 Promises of the Rosary](#)):* **“You shall obtain all you ask of me by the recitation of the Rosary.” “My Mother promised that if just one member of the family prays [the Rosary] every day, She will save that family. And this promise is signed and sealed by the Divine Trinity.” -Jesus to [Catalina Rivas](#)**

Jesus speaks on Purity: “I want to speak to you about My mother, Mary. Mary is My mother but she is also your mother. She is your heavenly mother and will be your mother for all eternity. She is a powerful supporter of all of her children. The enemy scatters where this holy woman is welcomed because the enemy cannot remain in the presence of such purity. I am encouraging you to ask Mary, your Blessed Mother, for assistance in the area of purity. You are called upon to follow the rules of your Church in this regard. Sexual intimacy is intended for a man and woman who are in a holy union, in a blessed marriage. I am Jesus and I am telling you today that the rules have not changed. Do not listen to those who follow the world because you will be led astray. Listen to Me. There is grave damage done to souls because of sins of impurity. This sin leads to many other, even more grave sins. This is the sin responsible for the slaughter of so many unborn souls. Dear young apostles, work hard for Me in this area. Do not let it be said that you sanctioned the murder of one of God’s children. Speak out bravely here. If you have been led to this yourself, come to Me, immediately. Ask My forgiveness. It is yours. I forgive you. I will make it right. I need to cleanse you of this so that you are not led to further sin because of your pain. Many, many souls have made this mistake and aborted children. This is the greatest indicator of the level of darkness in your world. But I have healing, even for this. Understand that I must have your help. I need you. You are not replaceable in this Kingdom of God. Some of My closest friends working in the world today have committed this sin. Do I love them less? I am smiling, My beloved, because the truth is so far from that. Indeed, I do not love them less for their pain and their repentance. I love them more because they do not judge others. And they work for Me in the greatest of love. Work against sexual sin and work against abortion. This is always My will so you do not have to ask Me. It is possible that you will make mistakes in this area, even after you have committed yourself to be My apostle. I expect you to make mistakes at times and commit sin. Come to Me immediately and ask My forgiveness. Have your [Confession](#) heard as soon as possible after this. Together, you and I will minimize the damage of each mistake on your soul. We will together make the improvements in your soul which will help you avoid these sins in the future. Understand that I am with you everywhere. I do not leave when you commit sins because I must witness each act committed on earth. You have total love and understanding from heaven. You have total compassion. You have total forgiveness if you repent. And you will have complete healing for Any past mistakes.”

. Note: If you are a woman or man who wants to talk with someone about your abortion/pregnancy, text “hope” to 73075.

Jesus speaks: “Have you ever seen someone in danger? Did you ever cry out sharply to prevent a friend from being injured? That is what I am asking of you today. I am asking that you look at your friends. If they are living a life suitable for a Christian, then all is well. You will share these words and you will share My joy. But if you see friends who are living away from Me and who are walking with My enemy, you must cry out sharply to them. Dear apostle, be very brave in this and understand that all comes from Me. So you do not have to convince anyone of anything. You must simply do what I am asking of you. I am asking you to share these words with others. I will give you guidance. You will know who needs to receive My heavenly help through these words and graces. All of heaven is on your side, guiding you, directing you, assisting you in every way.”

Finally, I do wish to inform you that there is an coming event, foretold by Catholic mystics and visionaries, called the [Warning or Illumination of Conscience](#), in which two comets will collide, a bright Cross will appear for all to see in the reddened sky, and Our Lord will show every person over the age of 7 the state of his or her soul privately before God at once. This universal experience, which is said to last around 15 minutes, will cause many to die of fright since it will reveal the truth of one’s sins and their damaging effects on others. But Jesus has advised us to TRUST in His Infinite Love and Mercy and pray thus: “**Please guide me towards the Light and Goodness of Your great Mercy and forgive me for my sins. Amen.**” For a step-by-step explanation of the Warning and what to do afterward, visit [MaryRefugeOfSouls.com](#).
