

**Jesus Explains the Vital Importance of “Tabernacle Time” in God’s Blue Books ([Sofc.org](http://Sofc.org))**

**“I, Jesus, truly the Son of God, came to earth a man and suffered a brutal death for love of you. I love you so much! I remain with you this day. I long for your love. I want you to come and be with Me in front of the tabernacle. I wait, I yearn for you to come and whisper your love to Me. I am a Person and I love you this day, with such an ardent on-fire love! No human could ever compare a speck to My love for you.... I wait, little ones, in the tabernacle. I wait for you to come and receive Me in Communion. I want you to want Me so much you cannot wait to come and receive Me. I want to be the love, the center of your life!” -God’s Blue Book 2**

**“I fill your souls with My life when you come to Me in the Eucharist and sit in front of the tabernacle. You are raised and elevated to wondrous heights in this life. As the hot air balloon is lifted high above the houses, you, too, will be lifted above the confusion, the deception and the anger that is now pressing down on this earth. It is only in your total surrender that you will receive this freedom.” -Jesus in God’s Blue Book 3**

**“The time you spend with Me becomes the highlight of the day and all else must wait while you spend this time. It is at least an hour of directed prayer in front of the tabernacle. If you miss this time, you will not flow through the air. You will get caught in the traps of the earth. It is as necessary for you as eating.” -God’s Blue Book 1**

**“When you visit Me at the tabernacle, I am full of intense love. I am bursting with My power to give in your soul. You sit, I dish it out in big, big scoops. My light becomes your inward flame, shining brightly for the world. You are given the light of life, a light shining in a dark world, a breath of warmth to a cold, cold heart... You are given interior healing. You are given the ability to be open to Me and to grow in your love of Me. What gifts I bestow to your weary soul!” -God’s Blue Book 1**

**“Such insights as wisdom, peace, love, joy, yearning-all the miraculous things man could never find anywhere on earth-that is what you get here and nowhere else! Come with your hearts open and your time free to be with your lover. Do you watch the clock when you are with one you love? Time escapes you and you never want to leave. Come to Me, your most ardent lover, in this same manner. Be filled to the brim with this love I have for you. Where, child, could you buy such a gift as the Love of God!” -God’s Blue Book 1**

**“You must come to be filled with My power, like charging a battery. You come, you get plugged in and then you go about the world, lighting it with My most precious light. This world needs you to shine in the darkness. It needs your smiles to the bowed down. You are a beacon on a cold, dark night, but it is only in your presence with Me in front of the tabernacle that you are charged. I give you such power. I give you all good things. I come to you and you are made whole. Your wounds are healed and your heart dances on a cloud of lightness. Only I can give such things to you. Come and I will give you such things that you cannot imagine in your earthly minds. My heart is on fire with love of you and I pour out My gifts to you when you are here. Oh, what silly, silly children stay away when I am God and I can give you all you need.” -God’s Blue Book 1**

**“I am the divine healer. I can only reach some through you if you come to Me and allow Me to work in you. Some will never know Me if you do not come and get refueled with My love. I need you, day and night, to shine in the world. I am He Who operates out of you. Will you come and get your supplies? I am He Who fills you. You are My soldiers. I need you, little ones. Remember, I am in you and I am using you, but My love for you never dies. I am holding your hands while you do My work.” -God’s Blue Book 1**

**“The more you operate without your supplies, the more you stumble... To do My work, you must stay refueled in My love. You can't do My work without My supplies. My work is hard work. No little softy job, little ones! It takes some mighty power and you need to get that power from Me. Come and sun bathe in My love. What a bath! Soak in My rays and come and follow Me. I am the Master, the Captain. I am He Whom you follow. You never make a decision. You do not**

**fret or fume. You live in My love, I bathe you in My bath and you go refreshed on your way.” -  
God’s Blue Book 1**

**“My love is action from your heart when you enkindle this love with Me. You need not think as you act. Your actions will be fired by My love. My message of love will flow from your soul... Fire, My little ones, fire. I want an intimate love affair with you, action from your heart. This will preach My love to your sick brothers. What sets you apart is God alive in your breast! You need not fret or fume. Just come and be with Me. I can move mountains. Your actions will be My actions when I possess your soul. It is so easy and you make it so hard. Quit doing that. Come and surrender and give yourselves to Me. Throw yourself before Me. Let Me fill you with the fire of My love.” -God’s Blue Book 2**

**“I am waiting for you. Would you keep Me waiting and turn your back? Is one hour too much for the Son of God? I give you 24 hours. One hour is so little to ask. This is where your peace lies. All else is fruitless.” -God’s Blue Book 1**

**“...pray to Mary. You need her strength against the devil. She is ready to battle with you in this evil world. You are in battle. You are under attack. Your supplies are given in front of the tabernacle in quiet moments alone with Me. I give you your arms to fight this evil war. If you do not come, you are going into battle without ammunition. You need your arms. Come to Me and let Me give you your supplies. Your children need your committedness to Me. The world needs every last soul to be holy to fight this battle. It is a heritage you pass on to others when you come and pray with Me.” -God’s Blue Book 1**

**“I am your main concern. Come to Me all who labor and are heavily burdened and I will give you rest. I will make the crooked ways straight. I will furbish the starved soul. You will run and not grow weary. You will fly on eagles' wings. None of this worldly, body stuff matters. You know what matters! Come to Me and tend to your souls. Prepare for the life hereafter. Don't adorn your bodies as your temples. Adorn your souls with the fruits that only I can give. For My life is life eternal and you, My child, will partake forever and ever if you stay fixed in Me and My word. I love you... Man has not seen or ear has not heard what glory awaits him who serves the Lord. Alleluia, Alleluia.” -God’s Blue Book 1**

**“The time you spend after Communion is your dearest treasure. Do not run from My altar to get to your world. Stay and let Me bathe you in My beautiful love! I bathe you. You leave with such beautiful love to share with your beloved ones.” -God’s Blue Book 3**

**“Come to Mass and Communion daily. I wait for you to come and be in union with Me. I want to be so close to you. I love you all and I am asking you each to busy yourself about your love affair with Me. Make Me first in your life. Give Me all you are. Pray My Prayer for Union\*\* all through the day. It is your union with Me that will change this world. You will light the lights of the souls in darkness. They will see the might of God in your soul. Energy will be emitted from your very being. You will be as you are, My most important workers, just in your being, if you surrender and be about our love affair! It's so simple. Come to Me, be united in Communion, pray with Me in silence after Communion, pray to the Holy Spirit for all of His gifts. Pray, lay hands on each other for strength. I am Jesus. I am alive. I will live in you in such a way that you will do such wonders, just in your being more in love with Me. I love you all dearly. Open yourselves. Be selfless and let Me possess your soul!” -God’s Blue Book 3**

**“The will of the Father is made clear in your hearts in front of the tabernacle, in the silent moments you spend alone with God.” -God’s Blue Book 4**

**“I am telling you to preach of My love--now! Souls are at stake. Their eternal life depends on the ardent love you are developing in your heart. You can only speak of My love with fire when you are on fire yourself. Be on fire with love of Me. Be about your love affair. What, little ones, is more important than your love affair with God-made-man in Jesus Christ! You keep yourself from Me. I am here.... Come, our love affair awaits and I am the ardent lover.” -God’s Blue Book 2**
